**Eisai Establishes “European Knowledge Centre” as its European Strategic Base**

*Discovery research, clinical development, production, marketing and headquarters operations  
now housed on one site*

Eisai Co., Ltd. (Headquarters: Tokyo, President & CEO: Haruo Naito, “Eisai”) announced today that the Company had completed construction of and officially opened the “European Knowledge Centre” (Location: Hatfield, UK) as its new European strategic base.

functions as the Company makes the transition to a new and unique “High Efficiency Model” in Europe, in pursuit of securing high efficiency and productivity. The infrastructure is in place to move forward with this business model now that the “European Knowledge Centre” is complete.

Eisai now owns 15 group companies in Europe including regional headquarters and pharmaceutical sales subsidiaries, which currently cover 19 countries mainly in the European Union. The opening of the “European Knowledge Centre” not only means that Eisai can further advance its European business strategy, fulfil unmet medical needs, ensure the stable supply of high qua
